**WORLD'S SERIES HONORS**

**HELD BY AM. LEAGUE**  
Chicago, Sept. 25.—Records of all world's series of past years show that although the American League entries have been victorious in nine of the fourteen series, the Philadelphia Athletics have won the most, although the National League has won only three. The longest series was that of 1912 in which eight games were played with the Boston Americans winning four and the New York Yankees three, with one tie game thrown in for good measure.

The shortest series of the twelve was that of 1914 when the Boston Nationals defeated the Philadelphia Athletics in four straight games. The Chicago Nationals of 1907 also won four straight from the Detroit Americans but this run was preceded by a tie game with the score standing 3 to 3 when darkness halted the play. The longest series was that of 1912 in which eight games were played with the Boston Americans winning four and the New York Yankees three, with one tie game thrown in for good measure.

**COLLEGE FOOTBALL STARTS TODAY**

New York, Sept. 26.—Intercollegiate football will be resumed upon a pre-war basis in the East tomorrow when the initial games of the 1919 season are started at various college centers throughout the section. Although several of the larger colleges will delay their gridiron debut for another week, large squads of players are practicing daily and there is every indication that football is about to enter upon a period of popularity equal to that which has greeted other lines of sport since the signing of the war armistice.

Close to thirty varsity eleven will take part in the opening contests of the season. The war is recalled by the fact that with one exception none of these teams met on the football field last year. In fact, many of the colleges which resume play tomorrow did not support eleven during 1918 and in some cases the resumption of play comes after a gridiron hiatus of several seasons.

Outstanding among the day's games is that between Harvard and Bates at Cambridge, the contest marking the appearance of the first formal Crimson eleven since 1916. Pennsylvania and Dartmouth will play their initial matches, meeting Bucknell and Springfield respectively, but as both these institutions maintained teams of football during the war period there is not the same novelty that marks the football re-entry of Harvard.

The Army, Brown and Rutgers are also scheduled to play and in the case of the West Point Cadets the game is the first since the close of the 1917 season. The soldiers face Middlebury. Brown will be opposed by Rhode Island State and Rutgers will meet Princeton. The Rutgers-Princeton game is the only one in which the same institutions met a year ago and then the powerful New Brunswick combination had little difficulty in defeating Princeton by a score of 68 to 0. The complete list of games for the eastern section on Saturday is as follows:

Bowdoin at Amherst; Rhode Island State at Brown; Springfield at Dartmouth; Bates at Harvard; Villanova at Lehigh; Albright at Muhlenberg; Connecticut Azules at New Hampshire; Williams at Bates; Middlebury at West Point; Clarkson at Vermont; Martin at West Virginia; Bucknell at Pennsylvania; All Syracuse Stars at Syracuse.

**ALL SET FOR CROWLEY'S COLTS-EAST END GAME**

All is set for the start of the series between the Crowley's Colts and the East Ends and both managers well entrenched behind their teams which comprise the fastest local players in the city. Since the final arrangements were made this game and series has been the talk of the local fans and in interest has rivaled the coming world event. General opinion is that the one that takes the first game will win the series, but as in all ball games in history the doers have been second at times, as right. Many of the betting fans have placed their money and from all reports it is an even chance.

Manager Cary has stated that he is confident of leaving the Fair Grounds on Sunday afternoon with the victory tucked under his belt and Tate Crowley says it can't be done. If the weather man smiles kindly on the Fair Grounds Sunday, a record breaking crowd is looked for.

**FISK RED TOPS VS. ALL STARS AT WILLIMANTIC SUNDAY**

Willimantic baseball fans who take in the Fisk Red Tops and the All Stars game at Recreation Park Sunday afternoon will see a real game with all the thrills that go into a big league game. The Willimantic All Stars have won a majority of the games they have played this year and are out to win this game without a doubt the biggest task they have set out to accomplish. Manager McQuillan of the All Stars has secured Ford and "Dixie" Carroll, both Boston Red Sox players of this season, Ford to appear at shortstop while Carroll, a youngster who made the players of the Southern League sit up and take notice before he signed with the Red Sox, will cover the outfield. "Bill" Gley of Taftville will cover his end of the outfield, and his

handiwork with the willow needs no introduction, as the fans who have seen him in action know. Flaherty, manager of the Hartford Eastern league club, will be seen behind the bat and will direct the team with his usual skill. Lowe of the Springfield Eastern League club will occupy the mound. G. Adams will be seen at first and will also handle the stick in his usual left-handed manner. The other members of the team are too well known to the fans to describe, will be at their old places of business.

The lineup of the All Stars when the game is called at 3:30 o'clock Sunday afternoon will be something like this: Flaherty c. Lowe p. G. Adams 1b. Donohue or Conine 2b. Ford 3b. Nichols 4b. Gley 5b. Carroll cf. J. Adams rf. Higgins, Noel, Johnson, White and S. Donohue utility.

**MURPHY AGAIN HAS BIG DAY ON CIRCUIT**

Columbus, Ohio, Sept. 26.—Tommy Murphy, who has led all drivers for winning races in the present Grand Circuit meeting, had another big afternoon today when he won two of the four races on the programme. Direct C. Burnett again mastered a field of fast pacers in the Arch City 2:19 stake, winning in three evenly rated miles. Baroness Edgewood was expected to show good form, but she failed and finished the money. Goldie Todd was lame and in the third heat was so badly out of form that she was scratched. The meeting will be concluded tomorrow with a short programme of three races the 2:18 trot, the 2:11 trot and the 2:13 trot.
